Youth Contest of the Association of Towns Awarded the Europe Prize

Town Twinning – their role in the development of the EU. Will they still exist in 25 years and if so, what will they look like?

Who? Find a team of 2-5 creative people aged 16 to 25 years.

What? Write a resolution in English on the Town Twinning – their role in the development for the EU. Will they still exist in 25 years and if so, what will they look like? Further information on how to write a resolution is available on www.europeprize.eu - News - Youth contest. Please note that your resolution is addressed to the Council of Europe and not the European Union!

How? Fill in the registration form available on www.europeprize.eu and send it with your resolution to hauptamt@darmstadt.de before January 31st, 2011.

Why? Europe and European policy concern us all! With this resolution you have the opportunity to make your vision for Europe known.

What to win? The first winning team is invited to spend a weekend in Ankara/Turkey in spring 2011. In addition the team is invited to Strasbourg to present its resolution to the representatives of the Council of Europe.
